

THE LEAF TERMINATOR®

Outthinking Mother Nature™

Gutter overflows can quickly cause damage to landscaping, ruin basements and destroy the foundation of a home or structure. Improperly cared for gutters can also lead to other serious and possibly more unnoticeable problems, including, but not limited, to mold, mildew and rot. The Leaf Terminator® has a patented design and features our exclusive perforation pattern that allows water to flow fluidly while stopping leaves and debris from clogging gutters. This sleek look adds to the aesthetics and value of your home while protecting it from damage. The Leaf Terminator® has passed rigorous independent testing and is certified to endure 110 mph winds (category 2 hurricane) with no lift or movement, and can withstand 22 inches of rainfall per hour. It will perform as promised even in the harshest weather conditions, keeping you safely off your roof!

- .096 perforated holes
- Compatible with all roof styles
- Optional heat cable to prevent ice and snow buildup
- One-inch overlap at each connection
- Easy installation over existing gutters – no mounting brackets or hangers required
- Prevents leaves and debris from entering gutters
- Reduces home and building maintenance costs
- Will not void your shingle warranty
- Made in the USA
- 20-year transferable paint finish warranty
- Lifetime performance warranty

THE VERSATILE SOLUTION™

Gutter overflows can quickly cause damage to landscaping, ruin basements and destroy the foundation of a home or structure. Improperly cared for gutters can also lead to other serious and possibly more unnoticeable problems, including, but not limited to, mold, mildew and rot. The Versatile Solution™ is an economical gutter protection solution that protects against clogs due to debris, and its low profile design makes it virtually invisible from the ground. There are two styles of the Solution Series – the Fascia Mount, which is available in three sizes, and the Versatile Solution™ is for under the shingle installation. It can handle tremendous amounts of water and wind while repelling leaves. The Versatile Solution™ has passed rigorous independent testing and is certified to endure 110 mph winds (category 2 hurricane) with no lift or movement, and can withstand 22 inches of rainfall per hour. It will perform as promised even in the harshest weather conditions, keeping you safely off your roof!

- An economical gutter protection solution
- Optional heat cable to prevent ice and snow buildup
- Easy installation over existing gutters
- Prevents leaves and debris from entering gutters
- Reduces home and building maintenance costs
- Will not void your shingle warranty
- Made in the USA

Gutter Topper®

When It Pours, It Reigns.®

Gutter overflows can quickly cause damage to landscaping, ruin basements and destroy the foundation of a home or structure. Improperly cared for gutters can also lead to other serious and possibly more unnoticeable problems, including, but not limited to, mold, mildew and rot. Gutter Topper® has eleven critical bends forming a rounded 'nose' that allows water to cling to the curve, depositing it in slots at the bottom of the system. Leaves and debris remain on Gutter Topper's flat surface and blow harmlessly to the ground once they dry. It can handle tremendous amounts of water, ice and wind while repelling leaves. Gutter Topper has passed rigorous independent testing and is certified to endure 110 mph winds (category 2 hurricane) with no lift or movement and can withstand 22 inches of rainfall per hour. It will perform as promised even in the harshest weather conditions, keeping you safely off your roof!

- Patented Valley Diverter to handle the increased water flow in the roof's valleys
- Patented BirdGuard System that prevents birds from building nests inside your gutters
- Easy installation over existing gutters by attaching to the roof deck – no mounting brackets or hangers
- Sleek look adds to the aesthetics and value of your home
- Reduces home and building maintenance costs
- Will not void your shingle warranty
- Made in the USA
- 20-year paint finish warranty
- Lifetime transferable performance warranty
